

DECLARATION AND POWER OF ATTORNEY
(Reissue Application)

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed in patent number 5,509,546, granted April 23, 1996, and for which a reissue patent is sought on the invention entitled:

MAGNETICALLY-ACTUATED COUPLER FOR MODEL RAILROAD CARS
the specification of which

☒ is attached hereto.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to herein.

I acknowledge the duty to disclose information which is material to patentability in accordance with Title 37, Code of Federal Regulations, Section 1.56.

I verily believe the original patent to be wholly or partially inoperative or invalid, by reason of the patentee claiming more or less than he had the right to claim in the patent. At least one excess or insufficiency in the claims is specified below.

Applicant discovered that issued claim 1 claims more than Applicant has a right to claim. A magnetically-actuated coupler assembly for a model railroad car having a pair of limit stops on the coupler head for limiting the movement of a coupler knuckle was known prior to applicant's invention.

The error described above arose without any deceptive intention on the part of the applicant.
